535

August 23rd, 1917

President E. O. Holland,

The State College of Washington,

Pullman, Washington.

Dear Sir:

In the absence of President Falconer I would advise you to write direct to General S. Cautkin, Chief of Staff, Department of Militia and Defence, Ottawa, Ont. for a returned invalided officer who could give instruction for you next winter. All the returned men are under the Militia Department and President Falconer has been in communication with General Cautkin about the matter. We have had many requests similar to yours and all have been asked to write direct to General Cautkin.

Yours very truly,

President's Secretary.
